Rice and Warch Promote Suzuki Women's Moto-X

Riverside, CA—1987 CRC #1 Women's points winner Tami Rice and 1988 CRC #1 current plate holder Bonnie Warch form American Suzuki's Womens Motocross Team for 1989.

The Womens Motocross Association (WMXA) co-founders Rice and Warch have joined forces to promote a new and outrageous series of specially designated womens events, for 1989, called the WMXA National Race Series. They will host this well-rounded year-long circuit of racing that provides every woman rider a fair change to win a National title.

Based in Southern California, WMXA represents women from all over the United States. It includes many fine athletes such as multi-time Womens National Champion Mercedes Gonzales and popular safety promoter Gale Webb, "America's Sports Mom."

Last year WMXA raised over \$200 for the Juvenile Diabetes Foundation at the Discover Today's Womens Motocross event in Perris, CA. Also, a raffle at the Womens Invitational Race to End Hunger at L.A.C.R., in Palmdale, CA raised \$100 donated to the Hunger Project.

For information on their events call their headquarters (714) 359-1195.
